

# Have you got questions about our oceans warming and what it means for our environment?

*Come to a public meeting to hear Dr Mike Williams, Chief Scientist, Oceans at NIWA, as he answers your questions about our coast and the oceans. There will be plenty of time for discussion.*

7pm Tues 29<sup>th</sup> October. Free!

At the Kilbirnie Community Centre, 56-58 Bay Road, Kilbirnie

---

*This is a public meeting, open to all. It has been organised by Kilbirnie Branch of Labour Party, because we believe that an informed public strengthens our democracy.*
